

Sleeping				
Number	Item	Description	Why do I need this?	✓
1	<b>Sleeping bag with appropriate stuff sack</b>	Synthetic, rated to 35° Fahrenheit or lower, packed in its stuff sack	For sleeping, both in the group tents and in the field. We advise against down-filled sleeping bags, as synthetic bags can still keep you warm when wet.	
1	<b>Sleeping pad</b>	Closed-cell foam, self-inflating, or insulated air pad, NO non-insulated air mattresses or open-cell foam (egg crates)	For padding and warmth when sleeping on the ground	
1 set	<b>Sleeping clothes</b>	Dry and clean clothes to sleep in at night	Work clothes will quickly become dirty and may get wet	
1	<b>Headlamp</b>	A battery powered light on a headband	For evening chores, reading at night, or going to the bathroom at night	
1 set	<b>Extra headlamp batteries</b>	Batteries of the same type as those your headlamp to replace them when they wear out		
Eating & Drinking				
Number	Item	Description	Why do I need this?	✓
1	<b>Fork &amp; spoon or spork</b>	Metal, wood or durable plastic	For eating	
1	<b>Container with a tight-fitting lid</b>	Tupperware-type containers work well	Packing a lunch to the worksite each work day	
1	<b>Bowl</b>	Made of an unbreakable material	For eating breakfast and dinner at your camp or living site	
1	<b>Mug</b>	Insulated and made of an unbreakable material	For hot drinks in camp	
at least 4 quart capacity	<b>Water bottles/containers</b>	Enough capacity to hold at least four quarts of water. Nalgene bottles, canteens, and recycled juice or water bottles all work. If you bring a hydration system like a Camelbak, have at least two liters additional capacity with bottles.	We will be working in a desert environment and everyone needs to drink a minimum of four liters of water during the work day to stay properly hydrated, and water will not be available at the work site	
Hands				
Number	Item	Description	Why do I need this?	✓
2 pair	<b>Work gloves</b>	Heavy leather work gloves	You will be wearing these to protect your hands whenever working with tools, up to 8 hours a day, so make sure they're comfortable!	
1 pair	<b>Warm gloves</b>	Wool or synthetic gloves	To keep your hands warm in the morning and evening when camping outside	
Feet				
Number	Item	Description	Why do I need this?	✓

YCC Program Required Gear

1 pair	<b>Work boots</b>	High-top boots made of leather or other durable material	To protect your feet from heavy tools and rocks during work, and to keep your feet and ankles safe while hiking on uneven terrain	
1 pair	<b>Camp shoes</b>	Fully enclosed shoes to wear while walking around camp	To give your feet a break from heavy work boots, while still protecting you from sharp objects, hot water, and fire while around the camp and kitchen.	
4 to 7 pair	<b>Socks</b>	Wool or synthetic, tall enough to go above your work boots	To have warm, clean and dry feet every day	
<b>Head</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
1	<b>Warm hat</b>	Wool or synthetic are best	To stay warm in the mornings or evenings	
1 or 2	<b>Bandanas</b>	Cotton bandanas	Has multiple uses, including washing your face, covering your head, drying your hands, or keeping from breathing dust while digging	
1	<b>Sun hat or baseball cap</b>	Something easy to travel with and that you don't mind getting dirty and stained	For keeping sun off your face when not wearing a hard hat	
1 pair	<b>Safety glasses</b>	Glasses or goggles made to protect your eyes from flying dust and debris. If you need to wear glasses, make sure your safety glasses fit over them. Some safety glasses also double as sunglasses.	To protect your eyes whenever working and using tools	
1 pair	<b>Sunglasses</b>	Glasses that protect your eyes from ultraviolet rays	To protect your eyes when outside and not working	
<b>Upper Body</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
1	<b>Rain coat</b>	Waterproof, no ponchos	To stay warm and dry during summer rains, which can be unexpected and cold	
1 or 2	<b>T-shirts</b>	Cotton or synthetic	To wear in camp or to town	
2 or 3	<b>Long sleeve shirts</b>	Cotton or synthetic work shirts that you don't mind getting dirty or stained, as well as shirts to wear during your downtime or in town	Long sleeve shirts must be worn at all times while working to protect you from sharp plants and tools, as well as from the sun	
1	<b>Long underwear top</b>	Mid to heavy weight, wool or synthetic material	To keep you warm on cold mornings or evenings	
1	<b>Jacket/sweater</b>	Mid-weight fleece or other non-cotton	To keep you warmer on cold mornings or evenings	

YCC Program Required Gear

1	<b>Warm jacket</b>	Warm mid to heavy-weight jacket that can fit over other layers	To keep you warmer yet on cold mornings or evenings	
<b>Lower Body</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
1 pair	<b>Rain pants</b>	Waterproof and durable	To stay warm and dry during summer rains, which can be unexpected and cold	
1 to 2 pair	<b>Shorts</b>		For days off when not working or in town	
Enough for a week	<b>Underwear</b>	Cotton or synthetic are fine, and you should be able to wash clothes at least weekly		
1 pair	<b>Long underwear bottoms</b>	Mid to heavy-weight, wool or synthetic material	To keep you warm on cold mornings or evenings	
2 to 3 pair	<b>Work pants</b>	Durable pants like Carhartts, Dickies, Riggs, or comfortably fitting jeans. Avoid lightweight hiking pants that can tear easily.	You will wear these all day each work day to protect your legs from tools and the environment.	
<b>Packs</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
1	<b>Large backpack</b>	External or internal frame backpack, with 60 to 75 liter capacity and padded waist belt and padded shoulder straps.	To carry your sleeping bag, sleeping pad, clothes, food and other gear when traveling to backcountry campsites.	
1	<b>Small backpack</b>	Day pack for hiking to the work site each day	To hold 4 liters of water, food and any extra layers for the day	
<b>Hygiene</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
1 set	<b>Biodegradable soap and shampoo</b>	Small travel-size is best	Showers may be available at your living site, but when camping in the backcountry you may want to wash up outdoors. Biodegradable soaps have less impact on the environment.	
1 set	<b>Toothpaste and toothbrush</b>	Small travel-size is best	Clean teeth and fresh breath are important, especially when living together in close quarters.	
1	<b>Brush or comb</b>	Small is good		
Enough for the length of the project	<b>Feminine hygiene products</b>	Bring whatever you normally use; it's best to pack it in a resealable plastic bag to keep things dry		
1	<b>Lip balm</b>	Your choice, some SPF rating is good	The dry air and wind can chap your lips quickly.	

YCC Program Required Gear

Enough for the length of the project	<b>Sunscreen</b>	SPF 30 or higher	You'll be outside every day in the sun, and can get sunburned quickly without sunscreen.	
<b>Miscellaneous Required Items</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
2 sets	<b>Medications</b>	<b>Two sets</b> of any medications that you listed on your medical form, including inhalers and Epi-pens	It's not easy to replace lost or ruined medications when in the field, and having two sets is very important.	
	<b>Crew leader phone numbers</b>	Put these numbers in your phone or notebook before you travel	You need to contact your crew leaders if you get delayed or have any problems while traveling	
<b>Optional Items</b>				
<i>Number</i>	<i>Item</i>	<i>Description</i>	<i>Why do I need this?</i>	✓
1 pair	<b>Sandals</b>	Any lightweight, open shoes or sandals	To give your feet a chance to dry out when in environments where you aren't at risk of getting burned or poked.	
1	<b>Sheet or lightweight sleeping bag liner</b>	Something lightweight that you can sleep in if there are very hot nights		
1	<b>Small, lightweight camp pillow</b>		It can be a lot more comfortable than sleeping on a lumpy stuff sack!	
1	<b>Journal or book</b>	Small and lightweight, packed in a Ziploc bag with a pen or pencil to keep everything together and dry	For writing and reflecting about your experiences, writing down recipes, drawing, taking notes, etc.	
1	<b>Towel</b>	Small and lightweight is best	For drying off	
Small package	<b>Wet wipes</b>	A small pack is plenty	Helpful for bathroom hygiene without running water; all used wipes must be packed out with other trash	
4 to 5	<b>Resealable plastic bags</b>	Small and large plastic bags that can be zipped shut	Useful for packing out wet wipes or feminine hygiene products. Also handy for storing items like books or journals that you want to keep dry.	
	<b>Nylon stuff sacks</b>	Small nylon bags	Handy for organizing your gear in your tent or backpack	
1	<b>Sewing kit</b>	Needle and thread	To make small repairs to ripped clothing	
1	<b>Camera</b>	Small reusable or disposable camera		
1	<b>Camp chair</b>	Small, lightweight fabric chair	For comfortable seating in camp	
1	<b>Shaving razor</b>	Non-electric	If it's important for you to shave during the project	

YCC Program Required Gear

1	<b>Watch</b>	Something inexpensive that can get wet and dirty		
1 set	<b>Extra batteries for camera</b>	Whatever type needed for camera		
N/A	<b>Small games, deck of cards</b>	Small and easily packable, no electronic games	To have fun and relax with your fellow crew members in the evenings	
Minimum \$50	<b>Money</b>		In case of delays while traveling or if you want to buy anything in town	
1 set	<b>Clean clothes for your trip home</b>			

**PROHIBITED ITEMS**

<i>Item</i>	<i>Explanation</i>
<b>Alcohol</b>	Alcohol is strictly prohibited during the YCC program.
<b>Tobacco</b>	Tobacco is strictly prohibited during the YCC program.
<b>Non-prescription drugs</b>	The YCC program is a strictly drug-free workplace. The only drugs permitted are medications that you listed on your medical form.
